

SPEED. SIMPLICITY. SECURITY

Why Get Appointed?

We're leveraging innovation to equip our business to succeed in a digital age. We're providing retirement solutions with speed, simplicity, and security — all while creating user-focused, elegant digital experiences.

A Commitment to Service

THE EXPERIENCE

Track eApplications from start to issuance with the **Aspida Portal**. The Portal makes it easy to view detailed reports, manage books of business, access marketing and sales tools, and more.

- 99% of new business first review tasks are completed in 1 day.
- Our average call wait time is approximately 38 seconds.
- Aspida products have brought in over \$2.0bn in Issued Premiums as of September 30, 2023.

Aspida is like driving a Tesla. Its smooth platform gets you paid faster than any other carrier. What takes 45 days everywhere else only takes 48 hours at Aspida.

THE TECH

Our **eApplications & eDelivery** systems have built-in rules to help eliminate NIGOs and speed up processing times. You'll be able to upload required documents instead of mailing them, and eSign and deliver applications electronically.

- 92% of EFT applications are issued within 24 hours.
- 99% of commissions payments are processed daily, and in most cases will be paid the day after a contract is issued.

THE SPEED

Get things done faster with our lightning-fast onboarding, autocompletion of information in real time from SureLC and other trusted third-party data partners, easy roster management, intuitive dashboard, and detailed reporting.

- Our fastest application was issued in just 29 seconds!
- 38% of EFT applications are issued in less than 10 minutes.
